## **Responding to Abuse of Individuals with Disabilities**

Wednesday and Thursday, May 26th and 27th, 2010  
9 AM - 4 PM (both days)

Individuals with disabilities are among the most likely to be abused and least likely to receive appropriate assistance. This workshop provides a multi-disciplinary overview of critical issues including: dynamics of abuse; strategies pertaining to safety planning and guardianship; and key elements of the Americans with Disabilities Act and Kentucky mandatory reporting laws.
