

# FROM RED DOT TO GREEN DOT KENTUCKY

A green dot is any behavior, choice, word, or attitude that promotes safety for everyone and communicates utter intolerance for rape, domestic violence and stalking. A green dot is intervening in a high risk situation – a green dot is sponsoring a fundraiser for prevention efforts – a green dot is responding to a victim blaming statement with words of support – a green dot is hanging a prevention poster in your office or business – a green dot is teaching your kids about respect– a green dot is putting a link on your website to your local prevention program - a green dot is providing safety information on the counter at your business. A green dot is simply your individual choice at any given moment to make our state safer.
